Dear Mr. Weisberg,

I just finished "Case Open" and would like to thank you, for your continuing effort to get the facts out.

I've studied the JFK Assassination for 25 yrs, read about every book painted including Case Closed, and I've walked Dealey Plaza stood behind the picket fence etc. After 25 yrs I'm no closer to knowing who did it or how they did it, than I was in 1970.

But through the efforts of honest people like you, it is a pretty good bet, to bet Lee Oswald did not do it.

I agree with you that Nov 22 1963 changed America, we lost more than our leader we lost our direction. And only when we get the truth on JFK <u>and</u> RFK will we begin to right a ship that's been sinking for 30 years.

You're a brave man and I wish you well.

Sincerly
Mike Milliman
